106565 - Is it permissible for the muhrim to drink coffee that contains saffron?

the question

Is it permissible for the muhrim to drink coffee that contains saffron?.

Detailed answer

Praise be to Allah.

If the smell of saffron remains, it is not permissible for the muhrim to use it, because saffron is a kind of perfume. But if the smell has disappeared as a result of cooking, then there is nothing wrong with it. End quote.
