11002 - It is OK for a female doctor to circumcise an infant boy

the question

Is it correct to get one's child circumcised (mistakenly or knowlingly) by a woman doctor? This is happening in many parts of the world. Please provide a ruling on this issue.

Detailed answer

Praise be to Allah.

It is OK for a female doctor to circumcise an infant boy. And Allaah is the Source of strength.
