

## **10008 - Does the prohibition on leaving the mosque after the adhaan apply to women too?**

---

### **the question**

Does the hadeeth which forbids leaving the mosque after the adhaan include women, if they are in the mosque?

### **Detailed answer**

Praise be to Allah.

We put this question to Shaykh Muhammad ibn Saalih al-'Uthaymeen, may Allaah preserve him, who replied as follows:

It does not include them, because women are not obliged to pray in jamaa'ah (in the first place). And Allaah knows best.
