109337 - He does not know the rituals of Hajj and he wants to do Hajj

the question

I do not know the rituals of Hajj and I want to do Hajj. What should I do?.

Detailed answer

Praise be to Allah.

What the one who wants to do Hajj must do is learn how to do Hajj or at least take with him a small book in simple language by one of the trustworthy scholars who are known to follow the Sunnah, and act upon what is written in it.

Useful books of this nature include:

1.Al-Tahqeeq wa'l-Eedaah li Katheer min Masaa'il al-Hajj wa'l-Umrah wa'l-Ziyaarah by Shaykh Ibn Baaz (may Allah have mercy on him) [available in English under the title Verifying and Explaining Many Matters of Hajj, 'Umrah and Ziyarah, published by Darussalam];

2.Manaasik al-Hajj wa'l-'Umrah by Shaykh Ibn 'Uthaymeen (may Allah have mercy on him).

If there is anything he does not understand, he should ask the scholars. He should keep company with one of the scholars or seekers of knowledge so that he can teach him the rituals one by one.

So he should ask about groups that are keen to have one of the daa'iyahs or seekers of knowledge with them, and go out with that group.

Shaykh Ibn 'Uthaymeen was asked a similar question and he replied:

My answer to this is that Allah answered it when He, may He be exalted, said (interpretation of the meaning): "So ask of those who know the Scripture, if you know not" [al-Nahl 16:43]. What the one who wants to do an act of worship but does not know how must do is to ask people of knowledge about it so that he may worship Allah on the basis of knowledge, because one of the conditions of

worship is sincerity towards Allah, may He be glorified and exalted, and following the Messenger of Allah (blessings and peace of Allah be upon him), and it is not possible to follow him except by learning what the Prophet (blessings and peace of Allah be upon him) did of acts of worship in both word and deed. Hence I say to this questioner: if you want to do Hajj but you do not know its rulings and rituals, then you have to ask people who have knowledge of that. I urge the one who wants to do Hajj to accompany one of those who have knowledge, such as seekers of knowledge who are known for their knowledge of the rulings that have to do with Hajj, so that he can followwhat they tell him to do. End quote.
