

11761 - She said to her husband “Divorce me”, and he said, “I agree”

the question

I asked our shaykh, Shaykh Muhammad ibn Saalih al-‘Uthaymeen, the following question: She said to her husband “Divorce me”, and he said, “I agree”, or she said to her husband “I want a divorce”, and he said, “I agree”. Does divorce take place when these words are said?

Detailed answer

Praise be to Allah.

He answered, may Allaah preserve him:

Divorce does not happen by saying this.
