127513 - Is it permissible for the broker to receive payment from the car’s owner in return for selling it for him?

the question

A friend said to me: I want to buy a car in return for deferred payment; do you know anyone? I said: Yes. I went to the car’s owner and told him: I have a customer for you, but I want a broker fee without my friend finding out. What is the ruling on what I did?.

Detailed answer

Praise be to Allah.

There is nothing wrong with working for a seller or a buyer; there is nothing wrong with stipulating a condition in that case."(Majmoo’ Fatawa Ibn Baz 19/31).
