

174687 - Ruling on working in a restaurant that sells pork or in a beauty salon to pay tuition fees

the question

I have been here in the US for more than a year as an international student. my sister pays for my tuition and get me all the things I need. and lately she is having loads of things to take care back home in africa. So I was offered a job at ihop by a muslim friend, but the thing is he said they served pork, but I decline it.

Q1. As things are getting harder for my sister, I came to think, can I get that job (as a dishwasher) till I have a different job?

Q2. what about braiding in a saloon, (to non muslims) artificial hair to the woman?

Detailed answer

Praise be to Allah.

Firstly:

It is not permissible to work in restaurants that serve alcohol or pork, even as a dishwasher, because that is helping in haraam things. See question no. [681](#)

Secondly:

It is not permissible to work in beauty salons that offer the haraam services mentioned, such as hair extensions and plucking (eyebrows), even if that is for non-Muslims, because the minor issues of sharee'ah are also addressed to the kuffaar and the same things are forbidden for them as are forbidden for Muslims. So it is not permissible to help them in haraam things. Please see question no. [120891](#)

Perhaps if you look and try hard you will find permissible work in the field of printing or teaching children and the like.

“And whosoever fears Allaah and keeps his duty to Him, He will make a way for him to get out (from every difficulty).

3. And He will provide him from (sources) he never could imagine. And whosoever puts his trust in Allaah, then He will suffice him. Verily, Allaah will accomplish his purpose. Indeed Allaah has set a measure for all things”

[al-Talaaq 65:2-3].

We ask Allah to guide us and you and make us and you steadfast.

And Allah knows best.
