21400 - Removing the hair between the eyebrows

the question

Is removing the hair BETWEEN the eyebrows permissable for men?

Detailed answer

Praise be to Allah.

It is permissible to pluck it, because it is not part of the eyebrows. And Allah is the Source of strength. May Allah send blessings and peace upon our Prophet Muhammad and his family and companions.

From Fatawa al-Lajnah al-Daa’imah, 5/197

This ruling applies to both men and women. And Allah knows best.
