

1009 - More than one reader reciting over one sick person

the question

Is it permissible for more than one person to recite over a sick person?

Detailed answer

Praise be to Allah.

There is no reason why a sick person should not be read over more than once, or why more than one reader should not recite over the sick person at the same time. It is the word of Allah which He has made a healing for what is in people's hearts.
