109352 - A woman got her menses after doing tawaaf of ‘Umrah

the question

What is the ruling if a woman gets her menses after finishing the tawaaf of ‘Umrah?.

Detailed answer

Praise be to Allah.

If she gets her menses after doing tawaaf, she should carry on with her ‘Umrah and it does not matter, because for what comes after tawaaf it is not essential to be in a state of purity from having broken one’s wudoo’ or be free of menses. End quote.
