

## **132471 - If the one who is praying behind an imam says the tasleem before the imam**

---

### **the question**

If one of those who are praying behind an imam says one tasleem to the right before the imam, by mistake, does that render his prayer invalid?

### **Detailed answer**

Praise be to Allah.

His prayer is not rendered invalid, but he should say the tasleem again after the imam says it. End quote.

Shaykh 'Abd al-'Azeez ibn Baaz (may Allah have mercy on him)

Fataawa Noor 'ala ad-Darb (2/936).
