26722 - Changing one’s ihraam clothes

the question

Is it permissible for the pilgrim in ihraam, man or woman, to change his or her ihraam clothes, whether at the time of Hajj or ‘Umrah?

Detailed answer

Praise be to Allah.

It is permissible for the pilgrim in ihraam for Hajj or ‘Umrah to change his ihraam clothes and put on another set of ihraam clothes, and that does not affect his ihraam for Hajj or ‘Umrah.

And Allaah is the Source of strength. May Allaah send blessings and peace upon our Prophet Muhammad and his family and companions.
