

314 - The Muslim belief concerning the destiny of atheists in the Hereafter

the question

What do Muslims believe will happen to Atheists in the Hereafter

Detailed answer

Praise be to Allah.

The atheist is destined to Hell fire in the Hereafter. This is mainly because an atheist refuses the most basic belief which is the existence and oneness of Allaah. I ask Allaah to guide us all to the truth and help us to follow it, for He is the best Supporter and Helper.
