

46 - One who dozes off during Friday prayer

the question

What should one do if one feels oneself dozing off during Friday prayer?

Detailed answer

Praise be to Allah.

If a person dozes while listening to the Friday sermon, it is recommended for him to change the place with the person next to him. In doing this he should be careful not to speak; rather, he should use some gestures (hand movements, etc.). The evidence for this is the hadith narrated by Samrah who said: The Prophet (peace be upon him) said: If one of you dozes during the Friday sermon, he should exchange his position with the person sitting next to him.

(Al-Baihaqi, 3/238; Sahih Al-Jami' No. 812)

Another hadith has been narrated by Ibn 'Umar who said:

The Prophet said: If one of you dozes in the mosque on Friday, he should move his position to another place.

(Abu Dawud, No. 1119; Sahih Al-Jami' No. 809)
