

## **6725 - If a washing machine washes the clothes twice, is this sufficient to cleanse the clothes of any najaasah?**

### **the question**

Washing machines wash the clothes twice. Is this sufficient to cleanse the clothes of najaasah?

### **Detailed answer**

Praise be to Allah.

We put this question to Shaykh 'Abd-Allah ibn Jibreen (may Allah preserve him), who answered as follows:

The ruling has to do with the najaasah itself. Once the najaasah is removed from the clothes, they become taahir (pure). Shaykh al-Islam Ibn Taymiyah said that there is no specific number of washings required for najaasah to be removed.

And Allah knows best.
